

To edit a post:

- roll mouse over post
- find **edit** link

- to delete a post, click **delete**

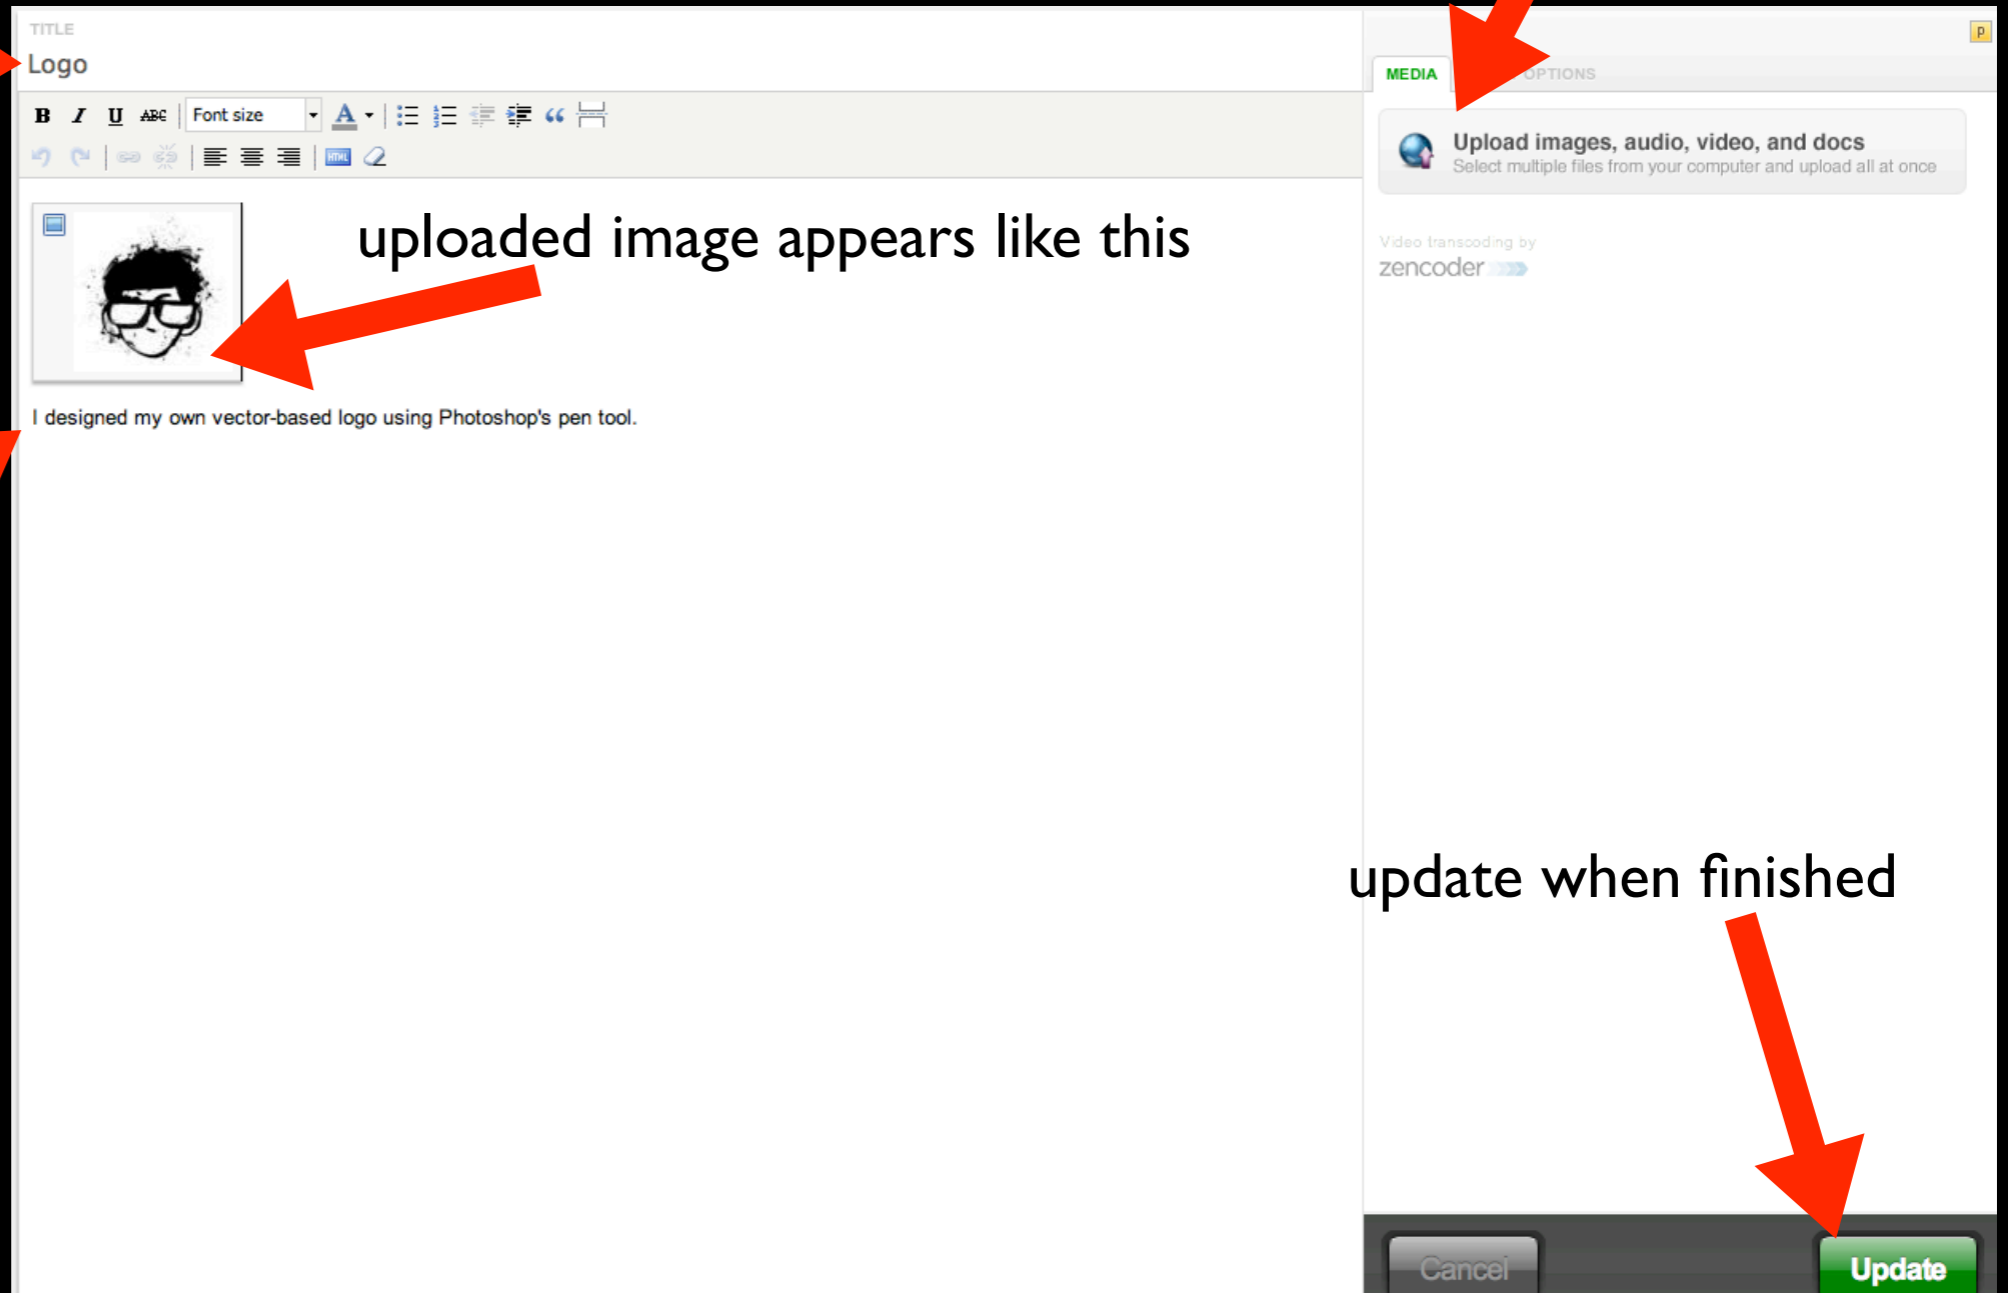

A screenshot of a social media post interface. At the top, there are four links: 'EDIT', 'DELETE', 'TAG', and 'AUTOPOST'. The word 'Logo' is displayed below these links. The main content of the post is a stylized, high-contrast black and white illustration of a person's face wearing glasses, surrounded by splatters. Below the illustration, the text reads: 'I designed my own vector-based logo using Photoshop's pen tool.' At the bottom of the post, there is a date 'March, 9, 2011', a 'Permalink' link, a 'Tweet' button with a count of '0', and a 'Like' button.

creating or editing a post:

click to upload image

include title of post

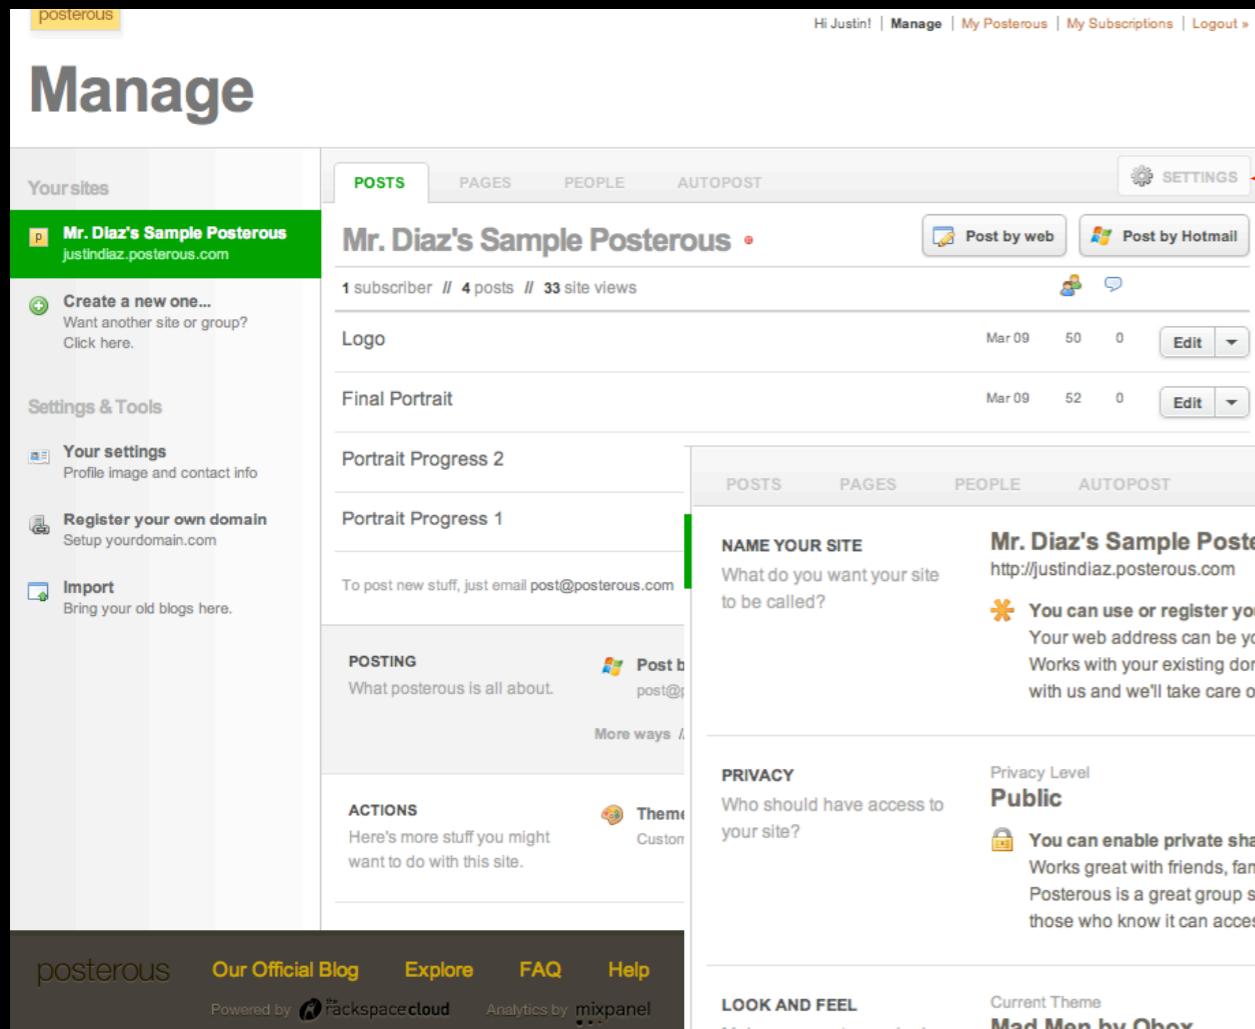

uploaded image appears like this

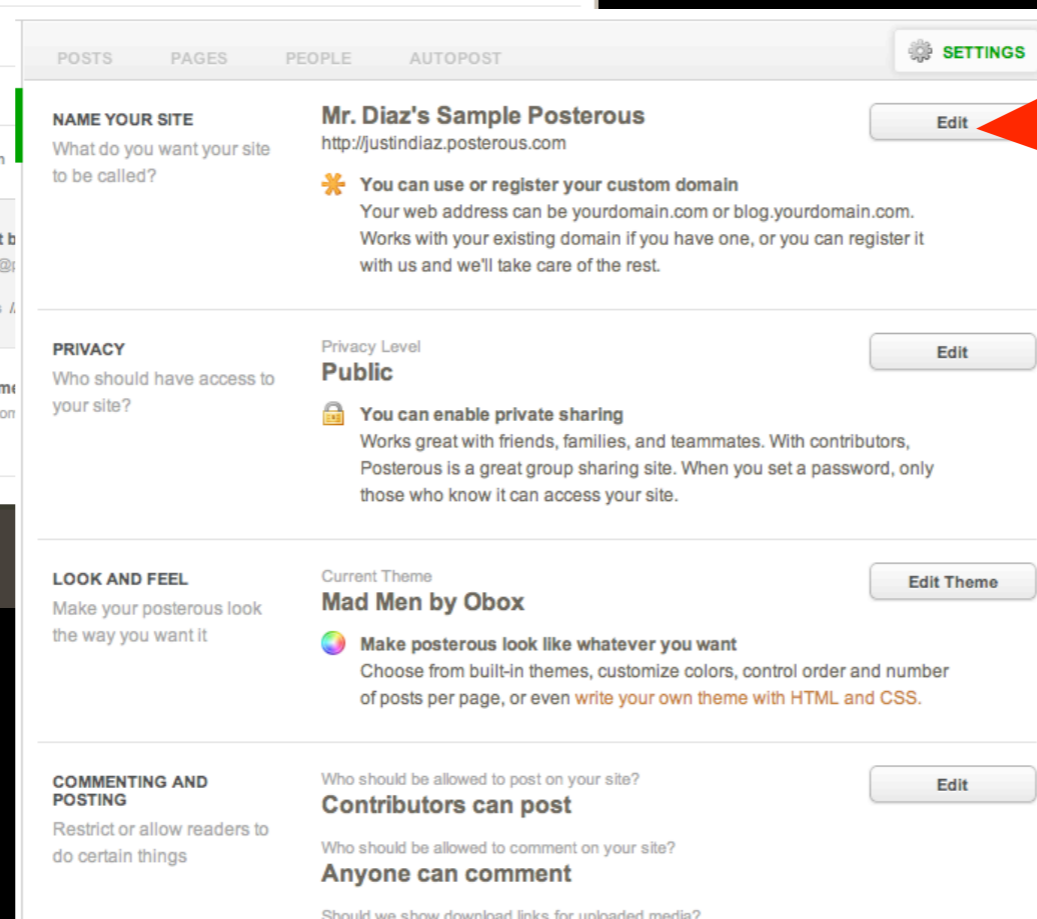

include description
of projects (not
necessary for progress
uploads).

update when finished

•setting up your Posterous site name

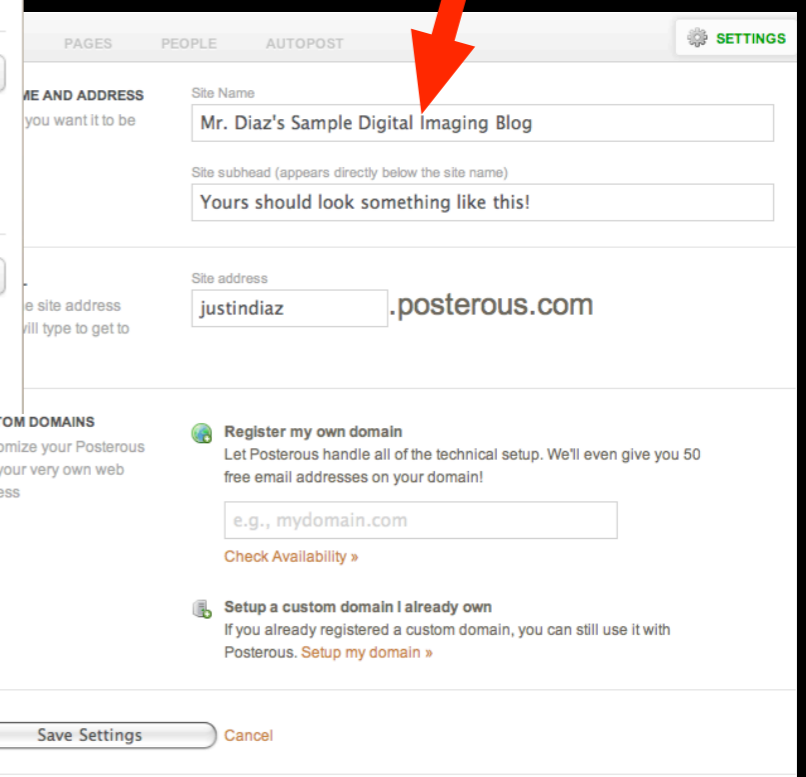

1. On the **Manage** page, click on settings

2. Click on **EDIT** in the **NAME YOUR SITE** section

3. Use your first and last name in the name of your site
ex: **John Doe's** Digital Imaging Blog

4. Click on Save Settings

NAME YOUR SITE
What do you want your site to be called?

Mr. Diaz's Sample Digital Imaging Blog
http://justindiaz.posterous.com [Edit](#)

*** You can use or register your custom domain**
Your web address can be yourdomain.com or blog.yourdomain.com. Works with your existing domain if you have one, or you can register it with us and we'll take care of the rest.

PRIVACY
Who should have access to your site?

Privacy Level [Edit](#)
Public

🔒 You can enable private sharing
Works great with friends, families, and teammates. With contributors, Posterous is a great group sharing site. When you set a password, only those who know it can access your site.

LOOK AND FEEL
Make your posterous look the way you want it

Current Theme [Edit Theme](#)
Mad Men by Obox

🎨 Make posterous look like whatever you want
Choose from built-in themes, customize colors, control order and number of posts per page, or even **write your own theme with HTML and CSS.**

YOUR BIO
Tell your readers a little about yourself. This will appear on your profile and on your site as well.

Born in the tropical island wonderland known as the Philippines but raised in Pico Rivera, CA, Diaz quickly rose to the top of his class at Durfee Elementary. After moving on to North Park Middle School, Diaz continued to ride the wave of academic excellence, culminating in a glorious speech as North Park's
